Millgate Farms' Sale of Royally Bred Scotch Shorthorns

To be held at Millgate Farms, Wadsworth, Illinois
Tuesday, October 10, 1950

George W.
Rossetter & Sons,
Owners,
Wadsworth,
Illinois

These three beautiful daughters of Edellyn Royal Leader 38th are all listed in this sale. From left to right they are: Millgate Jealousy 5th (Lot 33), Millgate Cecelia 2nd (Lot 34) and Millgate Augusta 10th (Lot 35).

You Are Cordially Invited

You are cordially invited to be our luncheon guest and to attend our annual sale of Shorthorn Cattle to be held at Millgate on Tuesday, October 10, 1950.

The luncheon at 12 noon—the sale starts at 1:00 p.m.

Sixty head will be offered as follows:

33 young females, 10 to 19 months old—with few exceptions these will sell open.

**16 adult females, some with calves at foot.
6 bulls ready for service.**

5 club steers, 4 born in January and 1 in February of this year.

All of the young females were dropped at Millgate and 29 of them are sired by our own bulls, the others by representative bulls as shown elsewhere in this catalog. All have been officially calfhood vaccinated and are in excellent health as reported by Dr. L. M. Cropsey who examines them every few weeks.

The adult females were taken from our herd and all have excellent performance records. These are being made available for this sale only because we are obliged to slightly reduce our herd prior to transferring it to our newly acquired Peoria farm where our present facilities are not sufficient to accommodate the entire herd.

The bulls have been carefully selected and are the kind that should head our best herds.

We hope you will be with us.

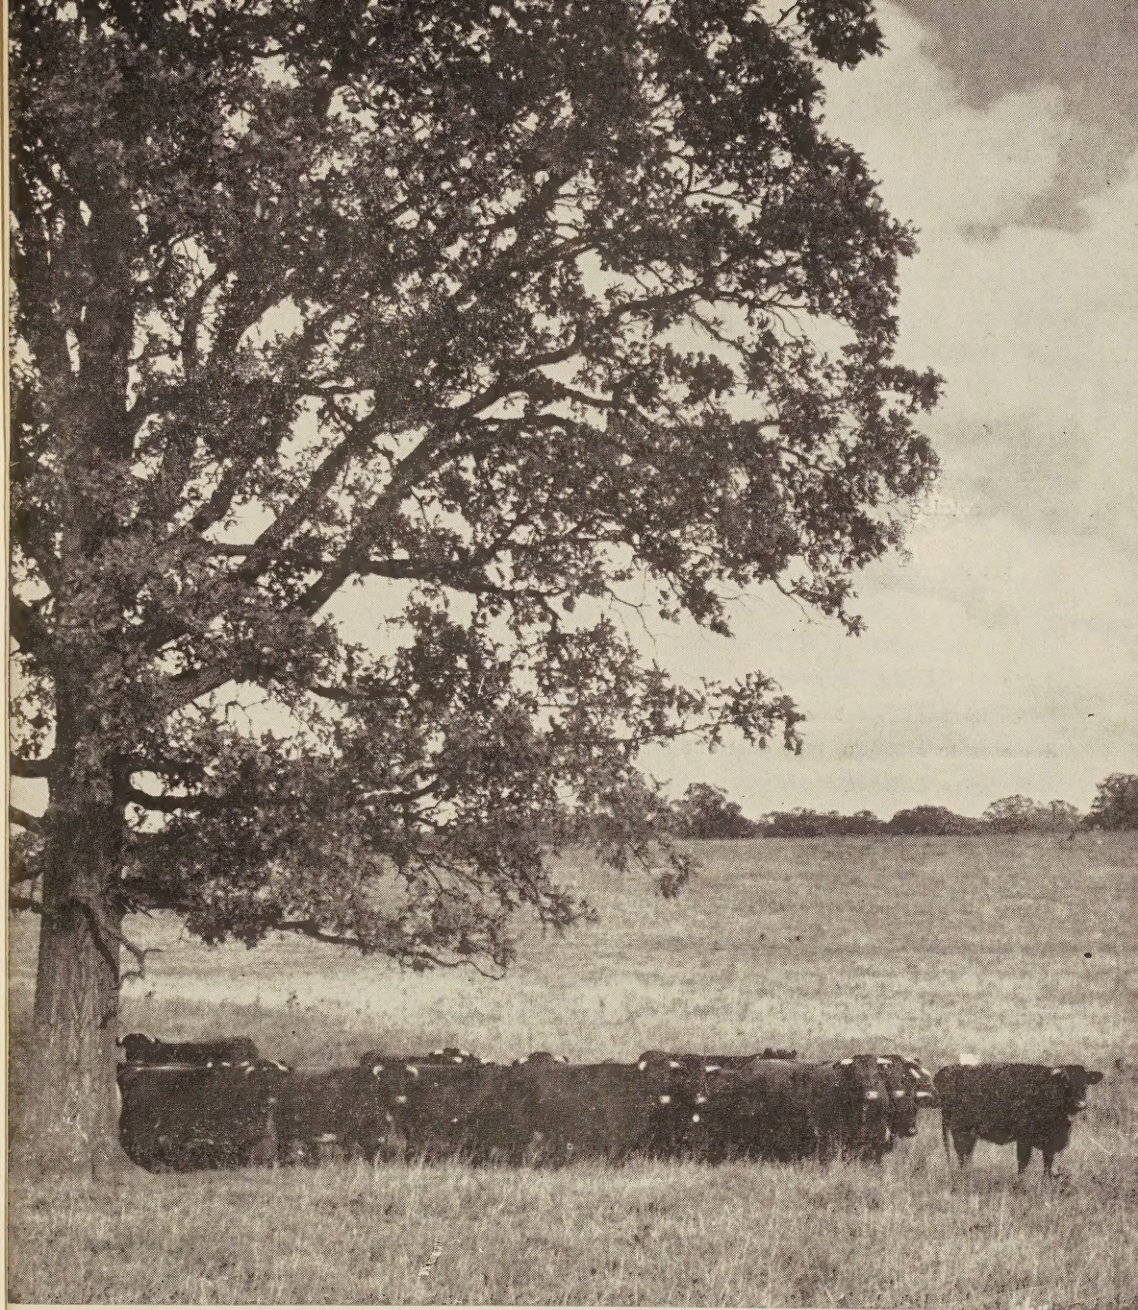

Sincerely yours,

MILLGATE FARMS
George W. Rossetter

Here are four more outstanding daughters of Edellyn Royal Leader 8th. Note the blocky bodies, short legs and character displayed in heads. From left to right they are: Millgate Golden Lady (Lot 27), Millgate Missie (Lot 28), Millgate Augusta 7th (Lot 26) and Millgate Lavender 2nd (Lot 29).

**Please bring
this catalog
with you
to the sale.**

The Millgate Herd Bulls

EDELLYN ROYAL LEADER 8TH 2197010 heads the herd. At \$9,000 he was the top bull of Edellyn Farms, 1944 sale, and he remains the top of all the sons of Edellyn Royal Leader. His dam, Marellbar Goldendrop, was an International first prize winner. His granddam was the top female of Edellyn's 1938 sale and her dam is one of the top imported cows in America. Since coming to Millgate Farms Edellyn Royal Leader 8th has proved to be a great sire.

EDELLYN ROYAL LEADER 43rd 2322791, top bull of the 1947 Edellyn Sale, at \$8,400. He is a full brother to Edellyn Royal Leader 11th, grand champion and high selling bull of the 1944 International Shorthorn Congress, selling to Byron Hawks at \$6,750. His dam is a full sister to Edellyn Roman Mercury, the champion and high selling bull of the 1943 International Congress, selling to Harry Greene and Capt. Mumford of Canada at \$3,650.

MILLGATE UPRIGHT 2502183, junior herd sire, was produced from the mating of the Perth Supreme Champion, Imp. Pittodrie Upright, with an outstanding daughter of Imp. Prince William. His first calves have arrived and they are excellent.

MILLGATE CELTIC 2432364, another junior herd sire, is by the famous Mathers Brothers' sire, Imp. Glastullich Celtic, by Lawton President Roosevelt. His dam, an imported Rosewood cow bred at Drynie, is by Saltoun Jolly Tar. His first calves prove him to be a truly great sire.

The animals in this sale are offered in exactly the same condition that we like to buy them. They are completely unpampered and are ready to start making money for you.

All of the blocky, short legged heifers shown in this picture are to be included in this sale. Most of them are daughters of Edellyn Royal Leader 8th and Edellyn Royal Leader 43rd and most of them will sell open. They are in ideal condition to insure future usefulness.

An Ideal Place To Buy

Those who have followed the leading shows and auction sales of the past twelve years are aware that many of the champions and top selling females during that period have been purchased by George W. Rossetter & Sons for use in the foundation of a great herd at Millgate Farms. Through the matings of these females with the best bulls that money could buy, the owners are able to offer in this sale, cattle that are the result of "breeding the tops to the tops."

It seems to the writer that these are the kind of cattle that buyers hope to find when they go to an auction sale. They are nicely developed and in good flesh condition, but they have been handled in a practical manner and are not so over-burdened with fat that future usefulness will be impaired. Moreover, those who know and appreciate good bloodlines will agree that this catalog contains much stronger pedigrees than are found in the usual run of Shorthorn auctions.

The Millgate Herd has now grown to a point where it is one of the largest and strongest in Illinois, the leading Shorthorn state. The standing of Mr. George W. Rossetter, senior owner, in Illinois Shorthorn cattle affairs, was recognized in 1949 when he was elected to the high office of president of the Illinois Shorthorn Breeders' Association.

It does make a difference where you buy and from whom you buy. It is my firm belief that those who buy cattle in this second annual auction at Millgate Farms will be acquiring the kind of individuals and the kind of bloodlines that will carry them forward.

A few of the superb foundation cows in the Millgate herd. They were selected from the breed's strongest sources.

Just A Word About This Offering

Were you one of the twenty-seven fortunate breeders who bought in the first Millgate Sale held in 1949? If so, you will agree that you got more for your money than would have been possible at any auction held that year.

We are coming right back for our 1950 sale with 50 better individuals, all backed by the best blood of the breed. Again they will be offered in thrifty, healthy condition but completely unpampered. Again they will be very profitable to their new owners.

The six bulls we have saved for this sale are the best we ever produced. Four are by **Edellyn Royal Leader 43rd**, one is by **Edellyn Royal Leader 8th** and one is by **Sandoon Cashier**, an imported-in-dam son of Uppermill Metaphor. Each is a superior individual. All are backed by blood that will insure great breeding careers.

The females in the offering are excellent! The 31 heifers . . . nearly all open. . . were all calved at Millgate Farms. All were calfhood vaccinated and all tested clean before vaccination.

With a total of 225 head, the Millgate Herd has outgrown its accommodations. In view of this fact, thirteen very good cows are to be included in this sale. All are fine individuals, royally bred, and all either have calves at foot or are heavy in calf.

We are under no illusions regarding high prices. We are located in a dairy section and cannot expect a strong local demand. The quality will be high. The prices will be moderate. We hope you will be with us on October 10th at Millgate Farms.

Millgate Goldendrop 6th—One of the better heifers in the offering. She displays perfect balance, character and lots of quality. She is out of the great young cow Millgate Goldendrop that was awarded the Illinois championship at the 1947 Illinois State Fair. Here is a real show heifer with a perfect combination of Edellyn Royal Leader and Calrossie Mercury blood.

Here is a view of the main farm buildings at Millgate Farms where the most richly bred cattle of the breed will be sold on October 10, 1950.

We have found a lot of people who want open heifers to breed to their own bulls. Nearly all of the heifers in this sale are open. Most of them are ready to breed and start making money for you.

There are 31 heifers in this sale. The oldest is 19 months and the youngest is 9 months. All were tested clean before calfhooed vaccination. All were examined by Dr. L. R. Cropsey on August 18th and pronounced normal.
